

Parenting a Child with a History of Sexual Trauma – Supplemental Resource Links

Name: How Trauma Can Impact Four Different Types of Memory

Link: <https://www.nicabm.com/trauma-how-trauma-can-impact-4-types-of-memory-infographic/>

This resource is a graphic display of the four different types of memories. It provides examples of each type of memory, how the memory is impacted by trauma and the related part of the brain.
